Two Killed Here In Separate Car Crashes In Week

Officers Suspect Ghoulish Robbery as Wallet Missing

Two Reno residents were killed in separate motor vehicle accidents during the weekend in this immediate area.

Mrs. Helen Marie Washborn, 50, died two and a half hours after a car driven by her husband, William was demolished when it crashed into the bridge across Squaw Creek on the Truckee-Tahoe highway Sunday afternoon at 5 o'clock.

Albert M. Turney, 42, Reno, employed by the Mervin Gardner Construction Company, died almost instantly when a large convertible he was driving failed to make a curve at Boca on Highway 40 and was demolished in the rocks Saturday afternoon at 1:40 o'clock.

Officers of the California Highway Patrol said excessive speed contributed to both accidents.

Mr. and Mrs. Washborn were returning from Lake Tahoe when the 1941 Dodge sedan ran off the wrong side of the highway and struck the bridge, flipping over into Squaw Creek. Patrolmen William Gautsche and T. F. Sheehan, with the aid of volunteers, freed the woman from the rear seat where she had been thrown and she was taken to a Reno hospital by Truckee ambulance. She suffered multiple injuries from head to feet.

Washborn suffered serious injuries but was expected to recover. A dog riding in the car was rescued and taken in by Patrolman Gautsche for safe keeping.

Boca Crash

Turney was en route to Marysville to visit friends and according to witnesses, the 1941 Zephyr convertible was traveling at a high rate of speed when it went out of control and went end over end into the rocks. The driver and a cocker spaniel dog which was in the vehicle were both dead when Patrolman Gautsche arrived on the scene.

The body was taken to the Truckee Colonial Mortuary and later removed to San Bernardino where the victim's father and mother reside. The parents, Mr. and Mrs. A. M. Turney Sr. came to Truckee Sunday.

Although the man planned to spend the weekend in Marysville and, according to his father, always carried a wallet with cash, none could be found when the patrolman arrived with other officials and it was believed that between the time of the accident and the arrival of the officers, Turney's purse was stolen.

Extend Thanks for Aid At Church Benefit Feast

Mr. and Mrs. Humbert Ciardella this week expressed their appreciation for the cooperation given during the preparation and serving of the Jiggs Dinner last Saturday at Capitol Hall. The proceeds were donated to the Community Church, with the Ciardellas donating their hall and time to the dinner.

Assisting the host and hostess were Mr. and Mrs. Earl Brown, Mrs. Edith Pfaendler, Mr. and Mrs. Ray Roberts and Mrs. Muriel Frey. The musicians, who played during the affair without change, were Mr. and Mrs. Jesse Brown of Lake Forest and Mrs. Jack Wolert.

SIX INITIATED

Six members were initiated into the auxiliary of the Eagles lodge by President Mrs. Donald Sites at the meeting on Thursday, March 15. Committees were appointed for the year.

Travel Increase Is Noted On 40

A slight increase in travel through Truckee over U. S. Highway 40 during February as compared with January was noted in the report submitted by the department of agriculture.

The report showed 14,125 automobiles, 2,412 trucks and 489 buses with a total of 45,595 passengers were checked at the local quarantine station entering the state, compared to 13,831 cars during January.

Truckee continued to maintain fourth place among the border stations as a point of entry.

Highway 50 checked 1,999 automobiles, 143 trucks and nine stages with a total passenger count of 5,213, the report shows, approximately one-eighth of the count on Highway 40.

Gaston Hocker Funeral Service Conducted Here

Funeral services for Gaston Garrett Hocker, 41, well known Truckee resident and businessman who died at a Reno hospital Friday night, were held Monday afternoon at the Truckee Colonial Mortuary with Rev. A. A. Carmitchel officiating. Interment was in the Truckee cemetery.

Hocker, who had been in ill health for the past two years, fell on the floor of his home last Wednesday night and the bones of his left hip were shattered. He was rushed to the hospital but his condition was such that an operation could not be performed.

A native of Austin, Texas, Hocker spent much of his youth in Colorado, coming to Truckee 16 years ago. He was employed by the division of highways for many years as an equipment operator and retired two years ago when ill health forced him to stop work. He was a member of Donner Chapter, CSEA, and an ardent sportsman.

After his retirement, Hocker established the Laundromat at the Gateway Park Shopping Center a year ago and he and his wife operated the establishment until his fall last week.

Hocker leaves his wife, Gwendolyn; two sons, Harvey L. and Laverne, all of Truckee; a daughter, Mrs. Leon Calkins of Concord; brothers Earl, Clyde T. and Owen of Delta, Colo., Claude B. of Grand Junction, Colo., Preston Hocker of Downing, Calif.; sisters, Jewel Hocker, Mrs. Grace Speer and Mrs. Eva May Wyatt, all of Delta.

Sympathy of the community will be extended to the family.

TRIO ENTER PLEA OF GUILTY ON THEFT CHARGES

Ramie Lee Sullivan and Harold D. Sullivan of Richmond and Harold D. Ingram of San Pablo all pleaded guilty in superior court yesterday to a count of grand theft after pleading not guilty to a count of robbery.

They were accused of taking $10 from a purse belonging to Mrs. Martinez Morales of Boca, whom they had picked up on Highway 40 and offered a ride into Highway 40.

At District Attorney Vernon Stoll's motion, made after the pleas. Judge James Snell dismissed the first charge. He will pass judgment April 2 after receiving a report from Probation Officer Thomas J. Barrett.

Lions Vote to Support Service Club Council

A discussion of the proposed Service Club Council which is designed to link all local service clubs into a unit for promotion of civic developments featured the meeting of the Lions Club last night. The club voted to affiliate in the plan.

Gus Benjamin was a visitor from Wendover and Robert Gifford presided.

Youngsters to Practice For Easter Program

A practice for the Easter program of all classes of the Community Methodist Church school will be held on Friday at the church at 3:30 p.m. All parents are urged to have their children at this practice.

Next WSCS Meeting Scheduled April 5th

The next regular meeting of the Truckee Woman's Society of Christian Service will be held at the home of Mrs. J. R. Petersen on Thursday, April 5, at 2 p.m. This will be a regular business meeting with the nominating committee presenting its report.

ENGINE FIRE

An alarm yesterday morning called the Truckee Volunteer Fire department to Spring and Kaiser streets where the engine of a truck operated by Wally Watkins had caught fire. The blaze was extinguished with only minor damage to the hood and motor.

Steps Taken To Secure Fund For Widening Route

Assemblyman, Supervisor Plan Junket To Washington

SACRAMENTO —(C. N. S.)— A move in Washington, D. C., to secure funds for widening Highway 40 from Sacramento to Reno to four lanes will be made soon, Assemblyman Francis Lindsay of Loomis announced here.

Lindsay said that he and Supervisor Andy Anderson of Placer County will go to the national capitol to present the suggestions of counties through which Highway 40 traverses regarding improvement of the highway as a defense measure.

The sixth district assemblyman said that Highway 40 is the only transcontinental route north of Las Vegas designated as a federal aid highway and that both the army and navy use the route frequently for transportation purposes.

While in Washington, Lindsay and Anderson will contact members of the California congressional delegation, army and navy officials and others who might be interested in advancing funds for widening the highway.

The assemblyman said that if funds can be secured to improve Highway 40, then any state funds that would have gone on that route could be siphoned to Highway 50 and the Feather River transcontinental routes.

LEGION QUINTET MOVES FORWARD IN TOURNAMENT

The Truckee American Legion basketball team and Capucci-Weaver of Fallon won the opening day games in the annual Andy Millich tournament at Lovelock yesterday to advance toward the finals.

In the opening game, Truckee took an early lead and went on to drub the French Hotel of Gardnerville 77 to 48. Truckee led 12-6 at the quarter, 33-15 at the half and 54-32 at the third period. Jim Henry and Al Wakefield dominated the scoring for the victors.

Truckee's next contest comes Saturday, according to Manager John Rau, after the rest of the 16 teams play elimination games.

Capucci-Weaver edged Sparks Mercantile 46 to 34 to stay in the tournament.

Tahoe City Driver Cited for Safety

Twelve drivers for Pacific Motor Trucking Company who have operated trucks for a total of nearly 25 years without a preventable accident were guests at a safety breakfast in Reno Sunday morning. Nine of the 12 present held the highly coveted National Safety Council Safe Driver award; three of them for periods of five years. The award is granted only to drivers who either had no automotive accidents or if involved in one it had to be of a type beyond the driver's control to prevent, such as being struck while properly parked.

Included was Henry C. Helm of Tahoe City, who holds a two-year award.

Son In Navy at Guam Is Expected for Visit

Lt. and Mrs. Vernon Brewster, who have been living at Guam, where the lieutenant has been stationed with the Navy for the past two years, are scheduled to return to the United States April 15. Following a visit with his mother, Mrs. Robert Luck of Truckee, they will continue on to Philadelphia for further duty.

In Mountain View—

James Leamon is the guest of Mr. and Mrs. Fred Oetjen, parents of his fiancee, Miss Irene Oetjen, at Mountain View this week.

Visiting Here—

Howard Snider of Nevada City was a visitor with local friends this week.

Directors of the Truckee Chamber of Commerce followed a wise course when they decided to withhold endorsement of a county chamber of commerce until a concrete, well-defined plan for future activities and participation has been decided upon. There can be no doubt of the value of a county-wide chamber of commerce, provided the benefits are shared equally between all sections according to their expenditures and requirements. Just how this is to be programmed and executed remains to be explained and until such an explanation can be presented to the people concerned, the directors are wise in delaying action. In these days of mounting taxes and climbing prices, sound thinking should precede requests for more spending.

●

Evidently the same magazine subscription solicitors who represented themselves as high school contestants and a few weeks ago spent a night in the Truckee jail, while authorities learned their story was a fabrication, started the same operation at Lake Tahoe this week and their career there was short lived. Residents, warned of the approach through the Truckee episode, were quick to notify the officers and the young men were given the "bum's rush." If this same tactic was employed against such chislers constantly, our district would be improved. Tahoe residents who reported the activity to the authorities did their neighbors a good turn and are to be complimented.

●

Your support of the Red Cross should be a MUST. Throughout the year, your contribution provides aid to a large number of less fortunate people and keeps alert a strong organization for assistance during any disaster. Don't say no when the solicitor calls upon you.

EASTER SERVICES IN CHURCHES ARE SLATED SUNDAY

Truckee church goers are again reminded of special services to be held here on Easter Sunday, March 25.

The Christian Science Group will hold services in the Wyethia Club edifice at 11 a.m.

Catholic High Mass will be celebrated in the Truckee church at 9:30 a.m. with Low Masses at Soda Springs, 8 a.m.; Tahoe City, 9 a.m. and Al Tahoe at 11:30.

Easter at the Community Methodist Church will be opened with a sunrise service at 6 a.m., a church school program at 9:30 and Easter Day worship at 11 o'clock.

Tahoe-Truckee Road Cut Up by Loggers

Supervisor Frank Paoli reported to the Placer County board of supervisors that Road 151 between Truckee and Lake Tahoe has been damaged by lumber trucks hauling logs.

He said a lumber concern had cleared the road of snow with a large tractor and hauled heavy loads over it.

The board directed District Attorney Al Broyer to seek damages from the concern and to determine how to halt use of the road by lumber trucks.

DISNEY DOUBLE BILL AT THEATER HERE

Manager V. C. Shattuck of the Donner Theater announced that in addition to "Cinderella" on Friday and Saturday, he has secured the recent Disney release "Beaver Valley" for local showing. Both have been widely publicized as outstanding in their appeal for both children and adults.

First Day of Spring—

William Curran, Frank A. Titus and Douglas Barrett are three local people celebrating their birthdates with their respective families on March 21.

Board Directors Favor Unifying Local Districts

Directors Submit Proposed Code Amendment To Solons

The board of directors of the Truckee Public Utility District has taken the first steps to inaugurate the consolidation of several of the existing public districts into one district.

E. L. Loynd, president of the board, said the board had T. L. Chamberlain, attorney for the district, draw up an amendment to the Public Utility District Act providing for the consolidation into a public utility district of any existing districts whose functions can by law be performed by a utility district. This amendment has been submitted to Assemblyman Francis Lindsay and State Senator Harold Johnson to be introduced into the present legislature.

"The present law," said Loynd, "does not specifically provide for such a procedure without a long drawn out court action of condemnation which might result in any monies paid therefrom going into the county treasury. A consolidation of some of the present district would eliminate duplicating functions and should promote efficiency and save money for the taxpayers."

"It is no less than absurd," continued Loynd, "that there should be several governmental agencies with several sets of officials attempting to carry on functions which can by law be performed by one agency.

"The greater functions performed and supervised by one set of officials, the greater responsibility thereby results and there is more public attention and interest in the affairs of the agency carrying on these functions."

Loynd was joined in these remarks by B. W. Reynolds, another of the directors whose term on the board is about to expire, who added that he felt that "consolidation is a project worthy of very careful consideration by the voters and taxpayers of the district."

Legion Sponsors Shoot For Chickens April 1

Commander H. L. Owens announced at Tuesday night's meeting plans for a chicken shoot sponsored by Truckee Post 439, American Legion, to be held Sunday, April 1, starting at 1 p.m. The events will be staged on the indoor range at the Veterans Memorial Hall here.

To accommodate both experts and neophytes, the sponsors offer a choice between .22 rifle and pistol, skill or luck targets; the shooter's own gun or one supplied by the Legion.

After the meeting, refreshments were served by John Rau and Owens and a movie on the development of a new Ford was shown by Hes Cardinal.

Wyethia Membership Drive Is Underway

A membership drive was launched at the meeting of the Wyethia Women's Club on Friday evening, March 16, with Mrs. Muriel Deckwa leader of the A team and Mrs. Dorothy Kay leader of the B team.

Tentative plans were made for a fashion show and luncheon to be held in the club building on Friday, April 20.

Mrs. Barney Phipps presided at the business session and moving pictures were shown by W. M. Englehart. Mrs. Elizabeth Bavier was chairman of the refreshment committee, assisted by Mesdames Vera Davidson, Anona Loynd and Miriam Zwarg.

NEW CONTRACT

Emile Allais, director of the ski school at Squaw Valley, signed a new five-year contract on Monday.

Moves to Town—

Mrs. Hannah Stewart moved recently into the cottage next to the Community Church.

W. C. Bennetts Dies Following Lengthy Illness

Funeral services will be held at the Myers Grass Valley Mortuary Friday morning at 10:30 o'clock for William C. Bennetts, 74, pioneer resident of this area, who died at a Nevada City hospital Wednesday at noon. The Grass Valley Aerie of Eagles will be in charge of the rites.

The body will be returned to Truckee for interment beside his wife in the Truckee cemetery and graveside services at 1:30 o'clock Friday will be conducted by the Truckee Colonial Mortuary under the auspices of the local Eagles lodge. Those desiring further information regarding the rites may contact Fosten Wilson.

Bennetts, who is survived by one daughter, Mrs. Mary Ellen Borneman of Truckee, had been in the hospital since November, shortly following the death of his wife, a veteran educator of Nevada County. He was a retired carpenter and spent most of his life in this area where he was widely and favorably known.

Sympathy of the community is extended to the surviving members of the family.

LANGILLE FILES CANDIDACY FOR UTILITY ELECTION

The petition of Harold T. Langille of Mountain-Rotary Fuel Company as a candidate for director of the Truckee Public Utility District was filed yesterday.

Langille is the second candidate to file for the office, the petition of Mrs. Ametta Firpo having been filed last week. Langille has been a resident and taxpayer here for many years and is familiar with the work.

There are two vacancies to be filled at the election May 1. The terms of President E. L. Loynd and Director B. W. Reynolds expire, C. R. Heller being the only member who is held over.

Although Loynd did not file a petition, he will continue to serve on the board if elected as a write-in, he announced. Reynolds did not make a definite announcement but indicated he would serve only if written in.

Today is the last day for filing for the office.

First Hand Report On Korea Is Heard

Truckee Rotary Club had an up to the minute talk Monday night on the United Nation's war in Korea. Sergeant Major Frank Wolff was the guest speaker. Wolff, who just returned from Korea, came from Mather Field Air Force Base and represented the public information office.

Visitors at the meeting were Alvah Hooper, Grass Valley; C. F. Harrison, Auburn and W. Ramsey of Truckee.

A recent communication from the office of the district governor announced that Walter K. Jansen will make his official visit here March 26.

Plans are being made for charter night. President Jim Sherritt appointed a committee of Jack Wolert, George Zorich and Joe Mattos to make arrangements.

AAUW Hobby Festival Plans Are Progressing

Preparations for a Hobby Festival to be presented during the coming summer in cooperation with the district schools, are being made by members of the local American Association of University Women, Mrs. Jerry Lewis announced.

Mrs. Lewis said unique posters are being prepared. The Hobby Committee met recently at the home of the chairman, Mrs. Charles Warner at Tahoe City to discuss the plans and a poster bee was held Monday at the Lewis home at Donner Lake.

A board dinner meeting will be held at The Beachcombers at Kings Beach Monday evening at 7 o'clock, Mrs. Lewis said.

Snow Brunch—

Mr. and Mrs. William Englehart Sr. entertained at the annual snow brunch on Sunday.

Chamber Delays Action On Plan For County Unit

Large Portion of Financing Would Come From New Taxes

Pending further study of the proposal, directors of the Truckee Chamber of Commerce Tuesday night took under advisement a plan to participate in the formation of a Nevada County Chamber of Commerce.

Before the local chamber commits itself, President Reginald Smart will appoint a committee to give detailed study to the proposal and each member of the chamber will be contacted for an opinion. This was decided after a discussion pro and con brought out pertinent points which Supervisor H. G. Loehr advised would be worthy of close scrutiny before a definite decision is reached.

Kenneth Wray, president of the Nevada City chamber, and other representatives of the Nevada City and Grass Valley chambers were here last Thursday to solicit Truckee's participation so that a united county-wide front can be made in asking the board of supervisors to set up the program under the state advertising code.

According to state code, the county chamber would have a board of five members, one from each supervisorial district, to be appointed by the supervisors. The supervisors also would be asked to employ a secretary and other necessary officials and provide facilities designed to promote and advertise the resources of the county.

With the possible exception of a per capita assessment of 25 cents monthly for each member, all money required would come from taxation, a maximum tax of four cents per $100 assessed valuation having been established under the state law.

While the entire program is a matter for the board of supervisors final decision, the local directors, before becoming identified as favoring or sponsoring the idea, will seek a concrete, detailed plan, assuring each section of the county of its just share and full representation.

Withholding final judgment on the proposal, Supervisor Loehr pointed out that the formation of the county chamber naturally would mean an increase in taxes, however small. He indicated that he would be influenced by the will of the people of district in the final analysis but warned that continued requests from the people for tax funds and centralization of control should be given serious thought.

The county-wide promotional organization idea is not new in California. It has been operated with success in many counties and has merit, it was pointed out by proponents at Tuesday's meeting. Local directors felt, however, that before any decision is made a number of vital questions relative to future benefits and expenditures should be explained more fully.

Cub Scout Program Here Next Tuesday

Mrs. Fred Pedley announced that the Cub Scout Packs will hold a program and merit award meeting Tuesday evening, March 27, at the Veterans Memorial Hall between 7 and 9 p.m.

The meeting date was changed from Monday to Tuesday evening. Names of the award winners and their merits will be published in the Sierra Sun following the meeting.

OFFICIALS HERE

County officials visiting Truckee this week included James Snell, superior judge; Ralph E. Deeble, county clerk; Alvah Hooper, coroner; Thomas Barrett, probation officer; John Trauner, veterans service officer.

Easter Egg Hunt Here On Sunday

Children in this area will enjoy an Easter Egg hunt Sunday afternoon as the guests of the 20-30 Club.

Fifteen dozen colored eggs and an equal number of chocolate eggs will be hidden by the committee headed by Harvey Hocker. A number of prizes are being given and every child of 12 years or younger is invited to join in the fun. A separate hunt will be provided for those six and under to give everyone an equal chance.

The youngsters are asked to assemble at the elementary school ground in Truckee at 2 p.m. and will be advised of the place for the hunt.

Illness of Aged Mother Calls Man East

TAHOE CITY— Gerry Waters of Tahoe City has left for Akron, Ohio, where his 70-year-old mother, Mrs. Elizabeth Waters, is critically ill. He will remain for a week or ten days. During his absence, Mrs. Glenda Marshall and son of San Francisco will be guests at the Waters home in Tahoe City.

SPRING THEME IS FEATURE OF STORK SHOWER

TAHOE CITY— One of the lovliest parties of the season was given on Thursday evening at the Bud Scott home at Carnelian Bay by Mrs. Scott and her neighbor, Mrs. Ray Fellows, who gave a stork shower for Mrs. Jack Starratt of Tahoe City.

Spring colors of yellow and white replaced the customary pink and blue, a circlet of yellow daffodils, green and white sweet peas and maidenhair fern forming the centerpiece for the table; a tall stork standing in the midst of the floral creation. A beautiful cake, ordered especially for the occasion, was trimmed in yellow and white, with pink and yellow roses and a stork in the center. Pink and blue ice cream booties accompanied the cake, with refreshments served following the opening of many lovely gifts. Canasta was enjoyed until a late hour.

Guests included, beside the hostesses and honoree, Mesdames Anne Anderson, Beccy Shontz, Beverly Rauh, Gladys Quam, Lenora Bartell, Violet Pomin, Icy Porter, Diana Briner, Audrey Brehler, Verna Grey and Jean Henry.

Carnelian Bay Family Welcomes Addition

Leo David are the given names of the son of Mr. and Mrs. John Quartly of Carnelian Bay, who was born in Reno on Friday, March 9. The baby's weight was over seven pounds at birth. Mother and son have returned to their Lake Tahoe home.

Dick Buek Named on Olympic Ski Squad

Dick Buek of Soda Springs has been named on the eight-man U. S. Olympic ski team to compete in the internationad games at Oslo, Norway, next February, according to word from Sun Valley.

Summit Scene

by FRAN COUILLARD

Racing No. 18 has been permanently retired from the Donner Trail Memorial Race. The ceremony for its retirement was a minute's silence at a banquet which took care of 85 contestants, officials and guests at Beacon Hill Lodge; the aftermath of the third annual cross country ski race. Most of you know by now that Toivo Aro, 58, entered in the veteran's class of the race, collapsed on the trail shortly after he had taken the physical required by the racers and a few moments after the trumpeting fanfare had sent him happily down the course at the start of the 26 mile marathon. Artificial respiration given by racers who stopped in their course, doctors who waded in snow to their hips, a weasel belonging to the Travis Recreational Center were summoned to the scene but "Little Toy", as he was affectionately known, had passed away on the terrain he loved best.

The bereaved family wish it stated that Toy had said that he wished to go on the highest mountain in the country that he loved. He breathed his last a few feet from the Summit.

From Emigrant Gap to the Summit, committee members who had worked day and night to make this the most successful cross country race of its kind, mourned the little stocky fellow with the wide grin and the startling sense of humor. Toy had entered the race to take the place of his son Edvi whose accident last fall incapacitated him as an entrant. As the American Flag was unfurled against a flawless blue sky and the National Anthem was played, Toy told us that he would bring home a trophy to place on his mantle. Trumpeting fanfare sent the racers on their way at one minute intervals and when No. 18 was announced, the little veteran waved his ski pole and took off on his farewell journey, amidst a chorus of cheers.

Our eyes are not dry as we write this. We usually write our annual report on the Donner Trail Memorial Race with happiness, for we know that with each year's improvement in our contribution to western sporting events we have passed another rung in the ladder to make of the DTMR the greatest winter event that has yet made the pages of history. The wreath sent to the bier of Little Toy had the letters "DTMR" woven into its circle for that is the way he would have wanted it.

We cannot start our report or the event without stating that the racer, Nils Larsen, who turned from the course and came back to report Toy's fate, and Paul Horomanski, who rendered artificial respiration, and the others who helped make his last moments easier, will be lauded in this area as good sportsmen. We cannot start our report until we state that Dr. Glenn Coffey of Sacramento, who had made the long trip to the area to examine the 75 contestants, came back exhausted from his climb in the snow to render what assistance he could.

Our perpetual trophy has gone from the area with Han Holaas (foreign class) three times winner of the event. His close competitor Nils Norman came in second, as he has for the first three times. Third place went to Ottavio Genoni, Swiss cross country champion. Lars DeGeer of Lake Tahoe Ski Club, No. 1 in the race and No. 1 in the finish, came in fourth according to time and Olav Brunsvig took fifth place. Hans, Nils and Olav are all from Eugene, Oregon.

In the interscholastic class Don Baer and Arthur Merrill Brown, both members of the University of California, took first and second. Lewsi Parker of San Francisco took third while Don Thompson took fourth.

Class A winners were Walter Kienzi, Arthur Herdal, Larry-Dangel, Dirk Van Meers and Roy Stenmark. The veterans class first place was taken by by Charles Viisanen of the Kaleva Club, Viisanen, in an automobile accident last May, had an operation that removed his knee cap. In spite of the handicap, he came in first. Second place was taken by Bob Anderson, third George Kalmar, fourth Ernie Nordstrom and fifth Ernie Klein.

In the children's race, Junior I trophy was won by Vic Roumage, son of the race's founder, Cam Roumage of Auburn. Junior II trophy was won by little Sherman Reams of Sitzski while Junior III trophy was taken by seven-year-old Carl Nordstrom.

Big Ernie Nordstrom and Little Carl Nordstrom came in for a lot of photographs as father and son both received trophies.

It has never been our pleasure to work with a more cooperative committee than this last DTMR race committee. Through sheer cooperation, the pre-meet party, held at the Donner Ski Ranch, took in over $600 for racing expenses. So great was its success that it was decided to make the party, as well as the race, an annual affair.

Drawing for numbers was held at the Donner Ski Ranch on Saturday night and the after race banquet was given by Elmo Moriano of Beacon Hill Lodge to the contestants. Milt Hogle of Soda Springs Ski Corporation was master of ceremonies and the presentation of 24 trophies went off like clockwork.

Beacon Hill Lodge, Trailsyde Lodge and Rancho Sierra were gaily festooned with banners which lent the area a gala appearance. American and foreign flags at the start and finish gates lent atmosphere and color.

Mr. and Mrs. Wally Hulse of San Francisco aided us a great deal by bringing up the mobile unit for following the racers. They were guests at Soda Springs Hotel.

A sketchy estimate, including the housing that the various lodges give racers for the event, is around $3,000. Completion buttons, trophies, racing ribbons and all the folderol that goes to make a race successful is not inexpensive. Red Jolly of Truckee painted our entrance, exit signs and racing numbers. For this kind of help, there aren't words enough to say a mere thank you.

From Auburn came Roy Mikkelsen, Mr. Ellingston and Bob Skeels to help keep time. Needless to say, Betty Aro, nominated our queen for the event, and Edvi Aro, referee, had to be replaced after the tragic occurance.

Completion buttons for racers, a bronze replica of Donner Monument, were not ready in time for distribution. We hope all racers left their addresses so that the buttons can be sent them.

RUTH GRIFFIN, LIND ARE WINNERS OF VIKING TITLES

Ruth Griffin and Tor Lind took top honors in the San Francisco Viking Ski Club championship races held March 11 at Donner Ski Ranch on Donner Summit. Thirty-eight Vikings ran the 20 gate course set by Herb Blatt of Palo Alto. Order of finish was:

Women: Ruth Griffin 1st, Jean Kerr 2nd, Barbara Lind 3rd, Marge Crawford 4th, Bea Baker 5th.

Men: Tor Lind 1st, Bob Anderson 2nd, Walter Kienzi 3rd, Don Smith 4th, Andy Schlotter 5th.

Jean Kerr placed a close third in the Far West divisional championship held the same day at the Ski Ranch and Walter Kienzi was second in the men's division.

Bob Griffith, popular new Viking member, placed 10th in the combined slalom and downhill Class B state championship held recently at Yosemite.

Tahoe, Truckee Fire Chiefs to Attend Confab

Chief Albert Henry Jr. of the Tahoe City fire department, Chief Dave Chambers of Chambers' Lodge and possibly Chief N. F. Dolley of the Truckee department are scheduled to attend the conference and convention of the California Rural Fire Association at San Jose April 13 through 15.

Demonstrations of fire extinguishing methods will feature the meeting.

FLORISTON

by C. A. FELESINA

Mr. and Mrs. Ray Yurich of San Francisco spent the weekend at their summer home here. They had as guests Mr. and Mrs. F. Sarubbi also of San Francisco.

Mr. and Mrs. Richard Everet have moved to San Francisco where they have found employment.

Miss Joan Ward of Reno was a weekend visitor at thee Julius Smitts home. Joan announced that she has a new baby sister born in Richmond, Calif. The Wards are former residents of Floriston.

Mrs. Lila Hall of Ithaca, New York, is visiting her uncle and aunt, Mr. and Mrs. Lester Felesina. Over the weekend she and the Felesinas visited Mrs. Felesina's brother-in-law and sister, Mr. and Mrs. Thomas Julian at their ranch near Yerington.

Miss Lydia Craig flew to San Francisco to spend the Easter holidays with her grandmother, Mrs. Katherine Craig.

February Liquor Sales Hit New Peak

SACRAMENTO —(C. N. S.)— February collections of the state liquor tax totaled $1,948,385, a 78 per cent increase over the same month a year ago, the state board of equalization announced here.

The board said over 2,000,000 gallons of distilled spirits moved in retail channels in the month, setting a new high over any prior February in history.

North Tahoe

by THELMA BURROUGHS

Ruth and Richard Lavery went to Sacramento last Thursday to attend funeral services for Charles Ogle, veteran deputy sheriff in the Sacramento area with 28 years service to his credit. Ogle was killed March 12 as he stood beside his car waiting for a motorist to go by and who hit him. Having spent some time in and around Truckee in years past, Ogle was well known by many in this area who were shocked and grieved by his untimely passing.

This community was shocked by the sudden death of Ann Randig, wife of Henry Randig, residents of Hidden Village at Tahoe Vista. Mrs. Randig was taken to a Reno hospital Monday night and passed away Tuesday morning. The body has been shipped to Logan Utah, her former home, for last rites. The sympathy of the entire community is extended to the bereaved husband.

The Douglas Frees of The Dunes have returned from their winter sojourn in the sunnier climes around Cathedral City, Calif., and Tuscon, Ariz. They returned in time to celebrate the fifth birthdate of their son, Larry, with a party on Wednesday, March 21.

Wee Kirk o' the Pines church school will present its Easter program Sunday at 10 a.m. in the Brockway Theater, Kings Beach, with Easter worship service following at 11. All will be welcomed to both services.

That strangely familiar voice frequently heard at your local Brockway telephone switchboard of late belongs to none other than Alice Sorensen.

Mrs. D. C. Barnett, Dixie Bullard and Mrs. P. M. Burroughs spent last Monday gadding about in Sacramento. While there, they saw Theresa Sutton proudly holding the hand of that cute granddaughter of hers while shopping for Easter togs.

Charles and Rena Matthews of Rustic Cottage Court have returned from a winter spent in the San Francisco district and have reopened their resort.

Widow Wins Award For Industrial Death

The Industrial Accident Commission has approved a death award of $7,500 to Mrs. Jane E. Griggs, now living in Reno, and widow of Herschel E. Griggs, carpenter employed by Hassler Lumber Company at or near Hobart Mills.

On July 8, 1949, Griggs, in the course of his employment, fell from a platform, striking his head, resulting in his death on May 4, 1950.

At the time of injury, Hassler Lumber Company was insured by Industrial Indemnity Company and subject to provisions of the workmen's compensation laws of California.

Inspectors Intercept Foreign Plant Pests

SACRAMENTO —(C. N. S.)— Inspectors stationed at Truckee intercepted 71 pests dangerous to agriculture during February, the bureau of plant quarantine, state department of agriculture, announced today.

Inspectors stated at the 16 border stations now in operation intercepted 1,068 pests found in 4,371 lots of plant material taken from some of the 159,877 automobiles, trucks and buses entering the state during the month.

Cars checked through Truckee totaled 17,026 and 157 lots of plant material were found.

SUNRISE SERVICES ON COMMONS EASTER SUNDAY

TAHOE CITY— Sunrise services will again be held on the shores of Lake Tahoe on the Tahoe City Commons Easter Sunday morning at six o'clock. Those planning to attend are requested to be on hand at 5:45.

Al Trauffer, chaplain's assistant and member of the Mormon choir at Salt Lake City, will conduct the brief service and deliver an appropriate sermon.

This will be the third year of observing the rites on the lake shore, the first having been inaugurated by Bishop Noel Porter of Sacramento and his son-in-law, Herman Rauh, in 1948. Devotions are non-sectarian and all are welcome to attend.

Ernest Douglass, music director of Tahoe-Truckee Unified Schools, and his junior choir will furnish a number of sacred pieces which will be broadcast over a public address system loaned for the occasion by Eddie Moore of Tahoma. Recorded music will also be broadcast during the morning.

At the conclusion of the brief devotions, breakfast will be served in the Tahoe Community Center hall by Mrs. G. D. Waters and her assistants. Reservations are requested where possible.

YOUNG'S RESORT IS SOLD TO SOUTHERN PAIR

Young's Bijou Resort, operated by Charles and Wilton Young since 1908, has been sold to Charles G. Johnston and Walter N. Olson of Los Angeles for a reported $190,000.

Charles Young, who disclosed the sale, said it will be effective March 23. He said he and his brother bought the 28 acre site in 1908 from Charles Sibeck, Nevada lumber operator. The property was the scene of lumbering operations during the Comstock Lode era.

The present sale includes the Bal Bijou amusement center, the store and service station, cottages and hotel at Lakeshore.

The Young brothers have other properties here and will remain to administer them.

Retired State Employees Would Be Re-Hirable

SACRAMENTO —(C. N. S.)— The state assembly has passed and sent to the senate a bill to permit the state to employ for the period of an emergency former state employees who have now retired and are drawing retirement pay.

ELECTRICAL TIPS FOR THE HOME

If You Read, Sew, Play Games in the Living Room . . .

DON'T assume that the lighting is adequate because each chair or table is furnished with a good lamp. Sharp contrasts between bright lights and surrounding dark shadows cause eye-strain and general fatigue.

DO add some general lighting in the room to chase away all harsh shadows. This can be done with a recessed ceiling unit, valance or cornice lighting. Whatever you install, be sure to provide handy switches near each entrance.

SWANEE'S TAHOE LETTER

Tahoe City, March 18

Dear Tahoeites:

At this moment the customary speeces are being made at the Tahoe Inn dining room in the midst of the Lake Tahoe Ski Club's contestant's banquet. Understand there was a fine crowd on hand to witness the events of Saturday and Sunday. Weather continues like summer with no rain or snow falling throughout the past week. The snow is disappearing like magic and everywhere in the lake area pussy willows are pushing their sleeky heads out into the sunshine.

Was saddened last week to hear of the death of Mrs. Henry Kaiser, who passed away last week following a long illness. She worked side by side with her prominent husband. She loved the Kaiser summer home on the lake shore at Tahoe Pines and spent many pleasant seasons here with her family. She and her husband were particularly interested in the Episcopal Outdoor Chapel on the highway near Tahoe Tavern and contributed generously to its upkeep and preservation. Most sincere sympathy is extended to bereaved members of the family.

Had a nice note from Victor Wikander who tells me he has just returned from a trip, via skis, to the family summer cabin at Buck Island Lake. The winter storms have done no damage to the property so he and his wife can again spend the summer there. He found the snow at the cabin five feet deep at the 7124 foot Miller Lake elevation the snow stood 7 feet 10 inches and the Rubicon River during the heavy rain storms stood four feet above the deck of the new steel bridge but no damage was done and the span remains in good order.

Lake Tahoe residents, both here and in their city homes, are responding in magnificent manner to the current Red Cross drive which began on March 1. Mrs. Louise Geier, who is chairman of the Tahoe branch of the American Red Cross, wrote me on Saturday that although the drive at that time was only nine days old, she had already deposited $938 in the bank. Tahoe's quota is $1050, so thanks to the generosity of Tahoeites the local goal should again be oversubscribed as in the past few years. Mrs. Geier, who is a hard and conscientious worker for the cause, is both pleased and grateful to all who are so generously resopnding.

Sam Goss tells me his wife is still receiving treatment for her eye, following a serious operation in St. Mary's Hospital in Reno. Her progress toward recovery is proving slow and painful. Here's hoping all will be well with her soon.

Interest in the hobby show to be sponsored some time in July by the Tahoe-Sierra branch, American Association of University Women, is far exceeding the hopes of the group when the idea was proposed. I am told the display will be extremely interesting, entertaining and educational. It will be given in the auditorium of the Tahoe Lake School at a date to be announced later and will probably run over three days. Anyone wishing to enter an exhibit may contact Mrs. Charles Warner of Tahoe City.

Again Tahoe City will have Easter sunrise services this year on the shores of the Tahoe Commons. I do not have all the data at this writing but do know that Ernest Douglas and his fine junior chorus will be on hand to render several sacred numbers and a special speaker will render the sermon. Breakfast will be served in Tahoe Community Hall following the devotions and the entire program will be non-sectarian. The public is invited.

Leave you for the week and send along a wealth of good wishes to one and all, as ever, Swanee.

In the few short weeks since it started to roll off the assembly lines, it has written a bright new page in automotive history for the low-priced field.

What Buick engineers have done is come up with a brand-new high-style body—new in every contour and dimension.

They've designed a brand-new, weight-saving frame, exclusively for this SPECIAL.

Then they've added the power-packed F-263 Fireball engine—which was new in the 1950 SUPER—and just wait till you see what that does for this nimble performer.

There's a power-to-weight ratio that spells thrill and thrift in operation—at a first cost that's just a breath away from the lowest price level.

We'd like you to see and drive this newest Buick marvel—find out for yourself what a honey it is to handle, and what a cinch it is to buy. Why not drop in and see us the very first chance you get?

I'd Like to Know . . .

You may have heard that a suit has been filed by the Antitrust Division in Washington to break up Standard of California as well as six other West Coast oil companies. Many people have written us protesting this action, have asked pertinent questions. We believe these questions should be answered for everyone. We take this way of doing so. If you have a question, write:

"I'D LIKE TO KNOW"
225 Bush Street,
San Francisco 20

"Why should you be in all parts of the oil business?"

Mrs. Henry Lincoln, housewife in Boise, Idaho, asks: *"Do you have to be in all parts of the oil business? Why don't you just produce or refine, and give other companies a chance to do the transporting, selling, etc?"* Mrs. Henry Lincoln

Why *all* parts? Example: in Oregon, severe winters used to delay fuel oil deliveries. Here was a need.

To meet the need, Standard looked to the undeveloped Rangely oil field, 600 miles away in Colorado.

Getting crude out of new wells, refining it, delivering it to users—called for a fully integrated operation.

To move the oil, Standard laid a 182-mile line to Salt Lake City—crossing Uinta Mts. at 9,560 feet. Here—

A new refinery was built. To keep costs down, it had to run steadily . . . have constant flow of product. So—

Another pipe line was built into the Northwest to deliver refined products . . . plentiful in any weather.

We now serve this area well. To do the job Standard needed all its size, integrated skills and capital.

A certain minority in U. S. feels big companies should be broken up—though these companies have helped keep the nation strong. The U. S. was thankful for big companies in the last two world wars . . . and is now, in these critical times. This is a big country with big problems. To meet them it needs large and small companies. We'll continue doing a good big job for you and the nation.

STANDARD OIL COMPANY OF CALIFORNIA
• plans ahead to serve you better

RECIPE OF THE WEEK
By Mary Lee Taylor

Apricot Sweet Rolls

1 tablespoon butter
½ cup brown sugar
1⅓ cups biscuit mix
¼ cup Sego Milk
¼ cup water
1 cup sweetened apricots, *cooked or canned*

In 8-in. round cake pan melt butter over very low heat. Remove from heat; sprinkle brown sugar over bottom of pan. Put mix into bowl. Stir in with fork a mixture of milk and water. Turn out on lightly floured board. Knead 8 to 10 times. Roll into 8-in. square. Cover with well-drained apricots. Roll up like jelly roll. Cut into inch slices. Put on sugar in pan. Bake in moderately hot oven (400) 30 min., or until brown. Turn out while hot. Serve warm or cold. Makes 8.

You Will Need:
Sego Milk, Biscuit Mix, Brown Sugar, Canned or Dried Apricots.

Early Lawn and Plant Feeding Is Best *Because*

1.
When Vigoro is applied early, spring rains and thaws drive it right down to the roots where it does the most good.

2.
Vigoro is easiest to apply before growth starts . . . just put it on! No watering in is necessary.

3.
Grass starts growth while the ground is still cold, well before weeds become active. Early feeding with Vigoro helps nourish the grass so it can successfully crowd out weeds.

Tarzan®

by EDGAR RICE BURROUGHS

IN A PIT BELOW THE ROYAL PALACE OF THE TESMALS, TARZAN, DORAK AND MARO, THE SCIENTIST, FOUGHT FOR THEIR LIVES AGAINST THE FEROCITY OF TWO GIANT CIVET-CATS!

DEFTLY AVOIDING THE SLASHING CLAWS, TARZAN AND THE OTHERS FOUGHT BRAVELY.

AFTER MANY ANXIOUS MINUTES, THE THREE WARRIORS STOOD VICTORIOUS. THEN, SURE THAT THE BEASTS WERE DEAD, A REMORSEFUL ZARA STEPPED FORWARD.

"FORGIVE ME," SHE SAID TO TARZAN. THEN SHE TURNED TO THE CAPTIVE SCIENTIST. "AND, MARO, YOU FOUGHT FOR ME - HOW CAN I REWARD YOU?" MARO SMILED SADLY, "RETURN MY LOVE BEFORE I DIE. THE KING FEARED MY SIZE-REDUCTION EXPERIMENTS, AND"-

"THINKING I WOULD TURN AGAINST HIM, HE CONDEMNED ME TO DEATH!" ZARA CRIED DETERMINEDLY, "NO ONE WILL DIE! COME, THE STABLES ARE AT THE END OF THIS TUNNEL!"

TARZAN CAUTIONED THEM NEAR THE EXIT. THEN, WHEN THE UNSUSPECTING STABLE BOY PASSED BY, A POWERFUL ARM PINNED HIM AGAINST THE BARS. "UNLOCK THE DOOR!" SNARLED THE APE-MAN.
